

# “LIFE SUPPORT”

Corry Collins *CLU, CHFC, CHS.*

---

**L**ife Support is a Keynote story told in a unique Heartwarming and Humorous style. The life lessons learned by Corry Collins after waking from a Coma are woven into the story, making audiences laugh and cry- often in a very short period of time. The talk is delivered in under an hour, yet the **lessons are remembered for a lifetime.**

“One of the Best Speakers I have heard in my lifetime.”

“You delivered with such perfect timing.”

“He just had a personal conversation with 2500 people all at once.”

*This story now represented in a book of the same name (Life Support). The story has been told on stage in 6 countries and counting. Audiences of several languages are easily able to capture the message of “Living Life Everyday”.*

*The message is universal, transferable and memorable.*
